

The Craig "Swanny" Swanson Memorial Scholarship Newsletter

The nice thing about getting your annual "Swanny" Swanson Newsletter is that you know that spring is here!

Last years scholarship winner was Sam Zembardo. Sam graduated in June 1994. He participated on the Frewsburg High School baseball team. He is currently attending Jamestown Community College and is majoring in Business Administration.

Dan Lewis, the 1993 winner is a sophomore at Jamestown Community College and Brian Nelson, the 1992 winner is a Junior at Baldwin Wallace College. Brian is still playing baseball and enjoying it very much!
