The Craig "Swanny" Swanson Memorial Scholarship Newsletter

Scholarship Update

It's time again to let you know how things are going with the scholarship. believe it or not, we're into our sixth year of awarding it!

Past winners include: Brian Nelson, 1992; Dan Lewis, 1993; Sam Zembardo, 1994; Dan Cheney and Darren Beckerink, 1995. Last years winner was Matt Moore. Matt is attending Cortland University and is participating on the swim team.

Matt Moore, 1996 Winner

In the past we have awarded a one-time \$500 scholarship to each winner, but as you know, the cost of attending college has skyrocketed! We would like to be able to increase the award given or in some cases, as in 1995, continue to be able to award two \$500 scholarships if there are more than one deserving scholar-athlete.

Your generosity again this year is critical to our success in reaching this goal.

Please know how much we appreciate your help now as well as in the past. We would like to thank you for your continued support in keeping Craig's memory alive!
