Softball Tournament in 10th Year!

The Annual "Swanny" Swanson tournament is in its tenth year. The tournament has raised over \$20,000 toward the scholarship fund. In years past the tournament had to be held in Randolph. This past year because Frewsburg School District built new ball fields and allowed the tournament to use them, Tom and Andrea were able to bring the tournament back to Frewsburg.

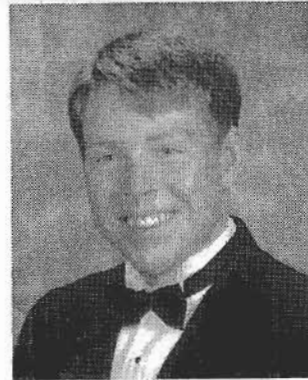

The Scholarship Committee would like to thank Tom and Andrea Mott for all the hard work that goes in to setting up and running the tournament and helping to make the Scholarship such a success!

2001 Scholarship Winners

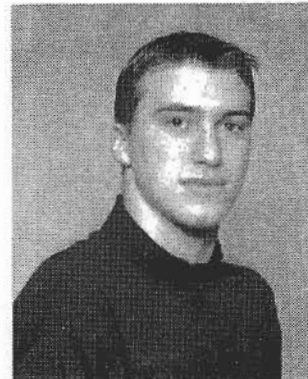

Steve Boskat and Seth Johnson were co-winners. They both were presented \$1,000 scholarship at graduation last June. Steve is attending Jamestown Community College and is playing baseball for the Jayhawks. Seth is attending St. Bonaventure University where he received a swimming scholarship. His season was very successful. He broke the St. Bonaventure 50 free record and was the Atlantic 10 - 50 free champion. He was named the Atlantic 10 Rookie of the Year, had the third fastest time ever in the 50 free in Atlantic 10 competition and had a Senior National Olympic Trial Qualifying Time.
